TO THE
Royal College of Physicians,
CORPORATION OF SURGEONS,
AND
SOCIETY OF APOTHECARIES.

GENTLEMEN,

THIS Diary was originally compiled for my own use; but several of my Medical Friends expressing their wishes to have it published, as a Manual highly useful to the Profession in general, I was induced to acquiesce in their desire. If it answers the intended purpose, my trouble will be amply compensated.

I am aware that errors may be found in the arrangement, but in a Work like the
a present

present, it is not possible to form it with such precision as to suit the various changes that may occur in the Medical Profession.

The LIST of HOSPITALS, and PUBLIC INSTITUTIONS, with the ANATOMICAL, MEDICAL, and other LECTURES, which are delivered in London and Edinburgh, from the first week in October, to the last week in May, I have spared neither pains nor expence to render as perfect as possible.

If any gentleman will suggest an improvement, and direct his opinion to A. B. Mr. BOOSEY, Bookseller, Old Broad-street, he will much oblige

The Author.

LONDON,
OCTOBER 1798.

III. Terms of Subscription, One Guinea Admission Fine, and Two Guineas per Annum, to be paid Half-yearly.

IV. Life Subscription, Twenty Guineas.

V. Members having paid Annual Subscriptions regularly for Fifteen Years, not to be called on, after the Expiration of that Time, for farther Subscriptions, unless by their own Desire.

VII. Members going to reside in any distant Part, or quitting Practice, still continue to be Members, so long as they keep up their Annual Payments.

XI. Member neglecting, for Three Half Years successively, to pay his Subscription, ceases to be a Member, after the Expiration of Two Months after the Third Half-yearly Payment becomes due.

XII. No advertising Proprietor of any Empyrical Nostrum can be a Member.

XIII. General Courts, open to all the Members, held Twice a Year, viz. the first Wednesday in April, and the first Wednesday in October.

XVIII. Courts of Directors held Once a Quarter, viz. the Third Wednesday in March, June, September, and December.

XXXIV. The Widow of any Member, having no Child, and who has no Estate, Salary, Pension, or Provision whatever of the Yearly Value altogether of Thirty Pounds, is eligible to receive such Assistance from the Society, annually, as the State of the Fund will permit.

XXXV. The Widow of a Member, left with a Child or Children entirely dependent on said Widow for Support; and who has no Estate, Salary, Pension, or Provision, of the Yearly Value altogether, of Ten Pounds for each Child respectively, in addition to the Thirty Pounds mentioned in preceding Law, eligible to receive such additional assistance annually as the State of the Fund of the Society will permit.

XXXVI. Orphan, not having any certain Provision to the amount of Fifteen Pounds per Annum, eligible to receive such assistance annually as the Fund can afford; and moreover, additional assistance towards making up an Apprentice Fee.

XL. No Widow, or Child of any Member, can be eligible to receive Relief from this Institution, unless such Member shall have been admitted Twelve Callendar Months previous to his Death.

XLI. Members, under certain Circumstances, rendered incapable of attending to Business, may receive relief.

*XLII. Relief granted out of the accumulating Stock; but no Part of the Principal is to be touched, until the Sum of 10,000*l.* Three per Cent. Consols be accumulated.*

XLIII. XLIV. Applications for Relief to be made through the Secretary, (agreeably to a Form set forth in the printed Laws of the Society) in the beginning of June or December.

XLVII. The Sums appropriated to the Relief of Widows, &c. are distributed every Half-Year, viz. in March and September.

XLVIII. In Cases of manifest and urgent Distress, the Court of Directors are empowered to grant immediate Relief, without waiting for the regular Periods.

XLIX. All Sums of Money granted Widows, &c. to be paid by the Treasurer within Twenty Days after Such Sums have been voted by a Court of Directors.

The Society was instituted in the Year 1783; since which Time, to the present Day, the Sum of Six Thousand Pounds Three per Cent. Consols, has been purchased; out of the Interest of which, the Sum of Three Hundred and Twenty Six Pounds Fifteen Shillings has already been distributed to Widows and Orphans of deceased Members, most of whom have been left without any Provision whatever. And as the

Fund is in a progressive State of Augmentation, by the Annual Subscriptions of (at present) 154 Members, at Two Guineas per Annum each, amounting to 323l. 8s.--to which is to be added, Donations from Individuals not of the Medical Profession, as also the annual and occasional Donations from Medical Gentlemen who are not Members of the Society, Interest of Stock, Legacies, &c. the pleasing Prospect is afforded to the Society, of being enabled, shortly, to extend more liberal Relief to the Relatives of its deceased Members, left in distressed Circumstances.
